Serial No. 8

Letter no. lyc. 119-26 d. 30.3.31 from the Senior Surgeon in Mysore.

Requests orders for providing anti-rabic treatment at the 5 Hospitals at Shimoga, Tumkur and Hassan and that provision may be made in the 5 DB budgets of these Dts for treatment of indigent patients.

(A) Subd. Facilities for anti-rabic treatment exist in all other Dt Hospitals and in the Civil Hospitals K. G. F. Senior Surgeons previously proposed to afford facilities at the places now recommended could not be sanctioned for want of definite opinion from the Govt of India. The L.S.G. now state that the Director of the Pasteur Institute, Coonoor, to whom the question was referred has no objection.

Subd: In this Office letter no L. 8756-63 LB 111-23-5 & 11.4.1925, the Principal Dt Boards were requested to obtain & forward the resolutions of the District Board about making the necessary provision for the extension of anti-rabic treatment to 21 Hospitals & other important Local Fund Dispensaries in charge of Assistant Surgeons. The resolution of the ~~Dt~~ District Boards ~~of~~ agreeing to make the contributions were sanctioned by Govt ~~for~~ for all districts except, Thana, Nasik & Khandesh. But when the question of extending the scheme to the districts was receiving consideration, the Residency sent a copy of a letter from the Govt of India suggesting the desirability of deferring the extension

of the treatment till the results of certain experiments which were being conducted could be known.

8) The opinion of Surgeon Major General of India about the extension of the treatment to mofussil dispensaries was received in September 1930 & the Senior Surgeon was informed to correspond with the Director of the Pasteur Institute, Coonoor, about extending the treatment to the districts referred to above.

9) In regard to the cost payable by the District Boards, it is stated that the resolutions of these district boards of these districts were received as early as in 1924. As it is not known whether the local bodies are still agreeable to bear the additional cost involved & it appears desirable to consult them, I am to send herewith a draft for consideration.

40) The calculation is based on an estimate of 50 patients each year, considering the population and the area comprising a District. The batta and maintenance charges payable by the District per patient will be about Rs.10/- for ~~treatment~~ 14 to 18 days' treatment.

2. The cost towards the purchase of Anti-rabic vaccine is being met by Government. The maintenance charges are advanced out of Hospital Imprest and recouped on bills to be presented at the Treasury after preaudit. The Comptroller, however adjusts the amounts by obtaining chques from the District Boards or charging the amounts to the respective pass books.

3. The question of providing facilities to the 3 centres will have to be dropped, if suitable provision cannot be made by the District Boards.

4. There has been no instance so far of any excess of expenditure over the budget grant. If unfortunately cases of rabies somewhat in excess of the available budget provision do come up for treatment, the extra money has somehow to be found. If on the other hand the number should fall short of the estimated 50, the Board will have a saving to draw upon.

The Member discussed the question with the S.S.

Notes. — The D.Bs' are evidently under the impression that they are called upon to pay something which they have not been paying hitherto. If the position is made clear to them, that they will have to incur possibly less exp: than before when the patients had to be sent all the way to Bangalore & Mysore Hospls: there may be no objection from them.

The Chief Secretary to the
Government of Mysore, Bangalore.

SIR,

Adverting to correspondence ending with your letter No. G.4575 Med. 86-30-4 dated 1-11-30, re. the question of extending facilities for Anti-Rabic Treatment at the District Head Quarters Hospitals, Hassan, Tumkur and Shimoga, I have the honor to request that necessary provision may kindly be caused to be made in the District Board budgets concerned to meet the charges incurred for treating indigent persons under Rule 23 to Appendix XVII M.A.C.Vol.1. The three Sub Assistant Surgeons who received training in the Pasteur Institute, Coonoor, agreeably to Government Order No. G.6824-5/Med. 86-30-7 dated 2-1-31 have been posted to the District Hospitals, Tumkur, Kolar Gold Fields, and Chickmagalur for duty. Four more Sub Assistant Surgeons who have been deputed for training will be, after their training is completed, posted to other District Hospitals. I request therefore that early orders of Government may kindly be passed for providing Anti-Rabic Treatment at the above mentioned institutions to enable the District Medical Officers of the respective Districts to indent for Vaccine from the Director, Pasteur INstitute, Coonoor as already suggested in myr letters No. G.C. 84-1 dated 23-9-1929 and G.C.84-2 dated 17-2-30.

I may add that the Director, Pasteur Institute, Coonoor, who was consulted in the matter informs that he has no objection to the proposal (vide copy of letter No.8130.dated 14-11-30 enclosed.)

I have the honor to be,
Sir,

SRA.

Letter No. 8130, dated 14th November 1930, from the Director, Pasteur Institute of Southern India, Coonoor, to the Senior Surgeon in Mysore, Bangalore.

With reference to your letter No.G.C.119-3, dated 11-11-30, I have the honour to state that the Rabies Committee held at Calcutta on 17-12-29, recommended under para 2 (f) of their report that medical officers in charg of antirabic treatment centres should have adequate instructions in antirabic work, and particularly in the assessment of the degree of risk, the observation and care of patients undergoing antirabic treatment and the preparation of antirabic returns.

2. The Government of India also have emphasised the need of training medical officers in charge of antirabic treatment centres for the above purpose.

3. The Government of Madras have accordingly selected 50 medical officers for the above training in batches of 10 at a time and two of such batches have already completed their training.

4. I, therefore, request you will kindly move your Government for the training of at least a dozen medical officers before opening any new centres.

Sir,

With reference to your letter No.G.2506 Med. 86-30-15 dated 22nd September 1931, in the matter of extending facilities for anti-rabic treatment at certain Head Quarters Hospitals I have the honour to state that the information asked for in the marginally noted communications were furnished to the District Board Presidents concerned as desired by you.

The President, District Board, Tumkur, states in his letter No. L.F. 4 C. 22 of 30-31, dated 10th December 1931 copy enclosed, that the Board is unable to provide a sum of Rs.500 required to meet the Travelling expenses and mainten-

ance charges of patients expected to be treated in the District Hospital. I may note however that the Board is at present bearing these charges, irrespective of the provision of Rs.100 made in the Budget for the purpose.

The reply of the President, Hassan District Board, has not yet been received.

Order,No. Ft. 8258-62

Dated,Bangalore the 19th April 1932

Under Rule 27 of the rules issued with G.O.No.L.8242-8421/Med.120-22-16 dated the 16th April 1924 all expenses referred to therein incurred in the anti-rabic treatment of indigent persons not belonging to the public service are & -- debitable to the local bodies concerned. These charges in the districts of Hassan Shimoga and Tumkur as in the other distric are advanced in the first instance out of the impres~~t~~ of the hospital concerned and adjusted by the Comptroller by either obtaining cheques from the local bodies or charging them to their respective pass books. As the patients from these Districts have at present to be sent either to Bangalore or -- Mysore for treatment, the t.a. expenditure on them will necessarily be some-

what

higher than what they would be if facilities were provided for anti rabic treatment in the district head-quarters of these districts. In fact the refusal of the District Boards to provide adequate funds in their budgets for anti rabic treatment seems to be based on the misapprehension that they would become liable to incur heavier expenditure than they are at present incurring. On the other hand, they stand to gain by the provision of facilities for such treatment at their own head quarters.

In view of these considerations, the Govt. are pleased to sanction the proposal of the Senior Surgeon to extend the facilities for anti rabic treatment in the District Hospitals at Hassan Shimoga and Tumkur. The District Boards are requested to make necessary provisions in their budgets commencing from 1932 - 33.
